Specifications

Lotus form

1kg Ink Can

Characteristics

mucus

How to use

- The dosage is 5~10 parts per 100 parts of ink.
Please note that as the amount of addition increases, printing performance and gloss may decrease.

Notes

- For safety precautions when using the product, please refer to the product's Safety Data Sheet (SDS).
- The contents provided in this information may be changed or revised without prior notice.
- When using the device, please thoroughly consider the conditions based on the evaluation results of the equipment and substrate actually being used.
